### Ney-Filleman.

A wedding of much interest to the people of Hondo and vicinity was that which occurred Wednesday morning when Miss Dorothea Filleman was given in marriage to Mr. Edmund H. Ney.

At 7:30 o'clock to the strains of a beautiful wedding march, the bridal party entered St. John's Church—the bride on the arm of her brother, Mr. Stephen Filleman, and the groom with his sister, Miss Corinne Ney—and advanced to the sanctuary rail from where the bride and groom continued alone to the altar, where the solemn and impressive marriage service of the Catholic Church was said by the pastor, Rev. Father Francis Pallanche.

The Church was beautifully decorated in white chrysanthemums and ferns, and myriads of candles shed their soft light over the happy couple as they knelt at the altar while the pastor pronounced the words which bound them forever as one.

After the ceremony the bridal party repaired to the home of the bride's parents where a wedding breakfast was served.

The happy couple left on the 9:10 train for a short wedding trip to Houston and Galveston, after which they will be "at home" to their friends in Hondo.

The bride's costume was of modish brown with accessories to match and she carried a shower bouquet of white chrysanthemums and ferns.

Miss Dorothea is the second daughter of Mr. and Mrs. Charles Filleman, and was born and reared in Hondo where she is much loved by all who know her.

Mr. Ney, the eldest son of Mr. and Mrs. Joe Ney, is a young man of sterling qualities. He grew to manhood among us and numbers his friends by his acquaintances. He is a member of the firm of the Hondo Lumber Company.

To the newly wedded couple who henceforth will journey down life's pathway side by side the felicitations of a host of friends, among who the Anvil Herald begs to be numbered, are extended. May their fondest anticipations of a long and happy wedded life be more than realized is the wish of all our people.

### Hondo, 22; Sabinal 14.

The girls basket ball team of Hondo challenged and defeated Sabinal on the Hondo grounds Saturday afternoon with a score of 22-14. Miss Shaw, coach of Sabinal, refereed and Mrs. Cockrell acted as umpire.

Miss Olive Jones, Sabinal's captain, scored most of their points as forward. Miss Sadie Ernest did brilliant goal throwing for Hondo, with Misses Dee Crow and Selma Stiegler equally good forwards.

Car rides, supper and entertainments were some of the diversions offered the visiting team.

Captain Karo Fusselman accepted a challenge to play Sabinal in their town Saturday.

The visiting teams have been loud in their praise of the treatment Hondo extends toward them. The boys and girls here, under Mr. Howell and Mr. Newton, are setting a high standard for courteous treatment of visiting athletes. Usually an elaborate supper is laid out in one of the vacant public buildings. Sandwiches, cake, fruit salads and hot chocolate or ice tea are served. Miss Nell Wilson was the first chairman of the entertainment committee, and Mr. Oscar Miller of another. After the supper a dance or picture show or private party is usually given.

That Medina county is adapted to the growing of sweet potatoes seems to be proved beyond a doubt by Sam Moore. He exhibited a ten-pound specimen of Cuban yam in this office Thursday. This is a splendid variety of table variety, and when our agriculturists pay more attention to raising home supplies and less boll weevil pasturing we will probably hear less complaint about the high cost of living.

In the football game between the Main Avenue High School team of San Antonio and the Hondo High School team on the local gridiron last Saturday afternoon, the Hondo boys met their second defeat this season, the score standing at the end of the game 31 to 0 in favor of the visitors. The Hondo boys were somewhat handicapped by having several of their players more or less incapacitated by recent contests, the team did not put up the stappy work that characterized some of their other games. The Hondo team is scheduled for a game with the Uvalde High School team, on the latter's gridiron, on Thanksgiving Day, which will probably close the football season for this year.

Miss Nell Wilson presented her music pupils in recital on Wednesday afternoon. All acquitted themselves creditably. Delicious ice-cream and sandwiches were served to those fortunate enough to be present. Miss Nell Wilson is a graduate of San Marcos Baptist Academy and of Kidd-Key Conservatory of Music and is an artist of more than ordinary ability and Hondo is fortunate indeed in having procured her to teach music in the school.

## COULD NOT EVEN RAISE IN BED.

Hastings Tells of Daughter's Wonderful Recovery Through the Use of Tanlac.

"My daughter's recovery through the use of Tanlac was so wonderful that I can't help rejoicing over it," said J. C. Hastings, a well-known farmer living at Alief, Tex.

"For two years," he continued, "she was sick with stomach trouble and neuralgia and her sufferings were something awful. Most everything she ate would give her trouble, and many a time she would wake up in the night in so much distress that she couldn't speak or even raise herself up in bed. By morning she would be so weak and worn out that she would be hardly able to get up at all. In fact, she had to spend most of her time in bed, and was forced to give up her housework, and I was afraid she would never get well."

"I read in the papers about a friend of mine who had been relieved by taking Tanlac, so I got the medicine for my daughter and now she is like a different person. Instead of lying in bed weak and miserable, she is the first one up in the mornings, and is now well and strong enough to take up her housework again. She never complains of suffering like she did before, and from the way Tanlac has built her up I have so much faith in it that I never expect to be without it in the house."

All druggists sell Tanlac.

SAUTRDAY, NOVEMBER 22, 1919.

**NOTICE OF ELECTION.**

THE STATE OF TEXAS,  
COUNTY OF MEDINA.

On this, the 13th day of October,  
1919, the Commissioner's Court of Me-  
dina County, Texas, being in regular  
session, came on to be considered the  
petition of E. R. Leinweber and 327  
other persons, praying that bonds be  
issued by said Medina County, Texas,  
in the sum of Eight Hundred Thousand  
(\$800,000.00) Dollars, bearing interest  
at a rate to be fixed by the commis-  
sioners' court, not to exceed five and  
one-half per cent, maturing at such  
times as may be fixed by the commis-  
sioners' court, serially or otherwise,  
not to exceed thirty years from date  
thereof, for the purpose of construct-  
ing, maintaining and operating mac-  
adamized, graveled or paved roads and  
turnpikes, or in aid thereof.

And it appearing to the court that  
said petition is signed by more than  
fifty of the resident property taxpay-  
ing voters of said Medina County, and  
that the amount of bonds to be issued  
will not exceed one-fourth of the as-  
sessed valuation of the real property  
of said Medina County.

It is therefore considered and or-  
dered by the court that an election be  
held in said county, on the 6th day of  
December, A. D. 1919, which is not  
less than thirty days from the date of  
this order, to determine whether or not  
the bonds of said county shall be issued  
in the amount of Eight Hundred Thou-  
sand (\$800,000.00) Dollars, bearing in-  
terest at a rate to be fixed by the  
commissioner's court, not to exceed  
five and one-half per cent, maturing at  
such times as may be fixed by the com-  
missioners' court, serially or other-  
wise, not to exceed thirty years from  
date thereof; and whether or not a tax  
shall be levied upon the property of  
said county subject to taxation for the  
purpose of paying the interest on said  
bonds and to provide a sinking fund  
for the redemption thereof at matur-  
ity.

Notice of said election shall be given  
by publication in a newspaper pub-  
lished in said county for four succes-  
sive weeks before the date of said  
election, and in addition thereto there  
shall be posted notices of such elec-  
tion at three public places in said coun-  
ty, one of which shall be at the court-  
house door, for three weeks prior to  
said election.

Said election shall be held at the  
regular polling places, and the per-  
sons named shall be the managers of

When you want permanent relief take Chamberlain's Tablets and be careful to observe the directions with each package. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.

Your War Saving Stamps will prove good medicine if illness comes.

### Mrs. J. J. Rihn Entertains.

Personally we don't claim to be much of an economist, but if we worked only thirty hours a week probably we'd eat only about once a day.

For our part, if we had any cotton we would sell it at the present price and buy something else at the present price.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remediation. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

### Novelty Shower.

Mrs. Arthur Kock of San Antonio, delightfully entertained with a shower at the home of her mother, Mrs. Wm. Rihn, honoring Miss Hulda Haby, a bride of the week.

The guests were led into the dining room which was tastefully decorated in white and yellow and over the center of the table hung an umbrella which held the shower of many beautiful and useful gifts which shows the popularity of the bride.

Refreshments consisting of cake and chocolate were served to the following guests: Misses Hulda Haby, Lillip and Octavia Schott, Patricia FitzSimon, Florence and Rosa Mangold, Alice and Carrie Brieden, Bertha Lamont, Theresa Hans, Fannie Bourquin, Cecile Steinle, Nora Biediger, Hettie Droitecourt, Katy and Clara Wurzbach, Dolphia Haby, Luella Karm, Alice Rihn, Mesdames Otta Naegelin, Jos. Tondre, Robert Rihn, Wm. Rihn, Arthur Kock, the hostess. Plate favors were white chrysanthemums tied with yellow ribbon. At five o'clock the guests all departed for their homes, well pleased with the evening's entertainment.

### A Good Cough Medicine for Children.

Mrs. J. W. Phillip, Rebon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

Sometimes it looks like the people who are raising money for a laudable purpose outnumber the other kind.

Estimates of the 1919 corn crop of America are 2,900,000,000 bushels, but when you go to buy hominy you find the price high on account of war in Europe.

As a general thing, when we see a lady crying at a wedding we wonder what she paid for the present she gave.

### Only A Cold.

Are you ill? Is often answered—"Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to throw it off.

Albert Mercer, lineman for the Southwestern Telegraph and Telephone Company is here this week. Mr. Mercer was a member of the 131st Field Artillery and is a friend of several Uvalde boys in that organization, including Joe Dunlap, who was in the post office at Camp Bowie while they were stationed there.—Uvalde Leader News.

### What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar.

Also it has just about gotten so in this country that a man gets home so early in the evening his wife wonders if he ran all the way.

### This Means You.

When you get up with a bad taste in your mouth, dull tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

The best thing about Texas weather is that after it has been rainy awhile the rain goes away and the sun comes back.

Thrift is not a hardship. It is a habit. Get the habit by buying Thrift and War Saving Stamps every pay day.

## CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royce City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well strong woman, and I owe my life to Cardui. I had only taken half a bottle when I began to feel better. The misery in my side got less... continued right on taking the Cardui until I had taken three bottles and did not need any more for I was well and never felt better in my life... have never had any trouble from the day to this."

Do you suffer from headache, backache, pains in sides, or other distressing ailments, each month? Or do you feel weak, nervous and fatigued? If so, give Cardui, the woman's tonic, trial.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

The highest-priced cotton sold in Texas this year was raised by a negro farmer on his own farm in Red River County, and sold to a white man at 70c a pound.

## Needful Knowledge.

### Hondo People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.

You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Hondo proof of their merit.

O. H. Getter, retired painter, Hondo says: "Several years ago I was taken with a terrible backache and my kidneys acted irregularly. On stooping over it was an effort for me to straighten up again. Nights I had to get up frequently to pass the kidney secretions, which were scanty, highly colored and scalding. I felt tired and worn out all the time and had no ambition to do anything. I read of Doan's Kidney Pills and started their use. After taking two boxes of Doan's my back was strong and my kidneys acted regularly."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Getter had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

### The Mission Study Class.

The Mission Study Class of the Woman's Missionary Society met at the home of Mrs. J. A. Horger, Monday afternoon at four o'clock. Seven members were present at this meeting. The lesson was conducted by the leader, Mrs. Sid. Carter, in her usual able manner and proved very interesting, indeed.

The class has taken up the study of Women Workers of the Orient. This study is both interesting and instructive and we urge all who are interested in the uplift of mankind and who want to have a part in the work of the Master, to come out and join our class. You will then realize more fully the urgent need of these poor unenlightened people and feel that we should be up and about our Father's business in obeying his last command to, "Go ye into all the world and preach the gospel to every creature."

### You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

## Christians Invade The Holy Land

Southern Methodists Send First Workers to Palestine for Bible and Literature Distribution.

(Special Correspondence)

Nashville, Tenn. — The Methodist Episcopal Church, South, has the distinction of being the first Christian denomination to send workers to Palestine since the free regime inaugurated under the occupancy of General Allenby.

The Centenary European Commission of the Church, headed by Bishop James Atkins and Dr. W. B. Beauchamp, have already dispatched five co-workers to the Holy Land. These will be followed by five more in the next few weeks.

These workers will establish no stations, but will follow the early Methodist custom of itinerating over the country distributing Bibles, tracts and Christian literature.

This literature will be printed in the native dialects, and will be secured through an arrangement with the Nile Press in Egypt.

Under the rule of the Turk such a movement would have been prohibited, but under Allenby there is perfect freedom of religions. The action of the Southern Methodists is the beginning of a vast scheme of missionary activity which will be carried on in the Holy Land.

## Says Cancer Can Be Cured.

Texas Man Had Cancer On Nose  
—Successfully Treated by  
Dr. O. A. Johnson.

J. H. Scott, R. F. D. 5, Box 78, Whitesboro, Texas, had a skin cancer on his nose. He was examined by Dr. O. A. Johnson, of Kansas City, Mo., and treated by that cancer specialist. He states:  
"I commenced treatment the 15th of June and the sixth day it dropped out. The first day of July it was healed up without any scar left, and I suffered but very little pain. I would advise all cancer sufferers to go at once to Dr. Johnson and be cured. Don't delay, but go now. It has been over five years since I was cured, and no sign of return."  
Dr. Johnson has become widely known as a specialist in treatment of cancer. He conducts a large Research Laboratory, devoted entirely to this cruel disease. The treatment is entirely medicinal—external applications are used to destroy the cancer and internal medication to purify the blood. Any sufferer should write at once to Dr. Johnson for his book, "Cancer Truths," which tells of his experiences and wonderful non-surgical treatment. Address, Dr. O. A. Johnson, Suite 560, 1324 Main St. Kansas City, Mo.

## Methodist Church Enters Ypres and Brussels

GREAT MEMORIAL CHURCH WILL BE ERECTED IN DEVASTATED BELGIAN CITY.

Brussels To Be Center of Large Enterprise On the Part of South-erners.

Nashville, Tenn.—A great Methodist Church, erected and maintained by the Methodist Episcopal Church, South, will be erected amid the ruins of Ypres, in Belgium. This was stated by Dr. W. B. Beauchamp, director-general of the Centenary Commission, who, with Bishop James Atkins, the bishop in charge of European mission fields, just returned from Belgium.

The city of Ypres, terribly devastated, will not be rebuilt in its entirety. The once magnificent Cloth Hall, the finest in the world, the Cathedral, the town hall, the churches, and other large ruins will be left as a perpetual memorial.

Of these the city mayor has caused signs to be erected, reading: "This is holy ground. No stone of this fabric may be taken away. It is a heritage for all civilized peoples."

### A City of Memorials.

Ypres is a city of memorials. The British government has selected a site and will erect a great museum as a monument to her fallen heroes.

Similar buildings will be built by Canada, New Zealand, Australia and Belgium.

In the midst of these memorials the Southern Methodist Church will be erected. It will contain a library, reading room and social equipment, in addition to its auditorium and class room.

"Ypres will always be a mecca for travelers," said Dr. Beauchamp. "Thousands and millions will flock to that battlefield. Our Church will not only minister to the people of Ypres and the surrounding territory, but it will also serve these visitors."

### Great Plant in Brussels.

The Methodists have also purchased a great building in Brussels, which will be their headquarters for Europe. It will contain offices, an auditorium, reading and lecture rooms, a publishing plant and social equipment.

The general secretaries of the two Protestant bodies of Belgium, the state Church and the free Church, will have offices in this building, thus making it the Protestant center of Belgium.

Southern Methodists have also purchased a half interest in the Protestant hospital of Brussels. It will be enlarged and its capacity will be doubled.

### Relief Stations Established.

Dr. Beauchamp reported that thousands of children will freeze to death this winter, because the Germans flooded the mines and filled them with concrete, thus making it impossible for the people to obtain fuel.

"Children, with their mothers," said Dr. Beauchamp, "are now living in the abandoned trenches and dug-outs left by the enemy."

In order to cope with the situation the Methodists have arranged to open relief stations at Ypres, St. Quentin, Montdidier, Belgrade and other points. A full contingent of physicians, nurses, directors and social workers will be sent abroad as soon as they can be found.

The Church has a fund of \$5,000,000 for European construction work. This will be spent in Serbia, France, Belgium, Poland and Bohemia.

### Standard Plan Made.

The movement will operate according to a standard plan. This plan provides for a preliminary survey of the entire South to discover what persons are not affiliated with any religious denomination.

Dr. A. C. Zumbrunnen is in charge of the survey, and he has made preliminary investigations in a large number of typical sections as samples to guide pastors in surveying their own fields.

When these surveys are completed the evangelistic movement will be launched in an effort to interest all non-church members whose names have been secured.

It has been estimated that half a million workers will be enlisted to personally interview the persons who have no church membership.

The U. S. Senate refused to ratify the peace treaty.
